**Disciplines for Disciples - "The Discipline of Fasting"** - The Way of the Master Training Course will resume next Sunday evening. Tonight we will be looking at the discipline of fasting, that spiritual exercise that brings one closer to God helping us to become godlier in character and behavior. We have often seen in the Bible as the Lord Jesus instructs us in a behavior for right living, or increased faith, etc., He often reminds us that "this kind does not go out except by prayer and fasting." More than an exercise to tone up physically, the concern is that we are in tune spiritually. Join us for this important discipline for the disciple.

**Ministry Opportunities** - Are you a church member wanting to serve the Lord through your local church? We have some opportunities for you to do just that. See Pastor today and say, "How can I serve?"

**Good Friday Service** - Please take time to look at the Signup Sheet in the back. This is for Good Friday! This year our entire church family is invited to be a part of the service.

There are readings from Scripture of Christ's final days and hours; and you can choose which one you would like to read aloud. There are some groupings of verses that perhaps a whole family would like to take and read - the practice at home will heighten importance of the truth celebrated this season. You can be involved personally, or with your friend, spouse or child, or a group of friends.

*Check out the poster board and please sign your name on the line next to the verse or verses you would like to read, and take with you a copy of the verse with you to practice.*
