

Josie Villareal & Christian Morales - IBMA - Philippines

Our primary mission is to help win souls and establish indigenous New Testament Baptist churches in the continent of Asia through the local churches. Our IBMA National Conference has just concluded. It was a rallying-point gathering of local churches, pastors, missionaries, church leaders, Bible college students, and full-time ministry workers to rejoice in the victories of the Lord upon our missions, refresh our vision of winning the lost, planting churches and making disciples, and renew our commitment to further the cause of the Gospel of Jesus Christ.
