

Jeff & Linda Benton - Words of Life Ministries, FL

We are looking into electronic printers. They have been around long enough now that used equipment is affordable. Pray for us in this matter. One of our churches had an outdoor event for the whole town and they used our tracts as part of their effort. We thought we were going to put up a new shed to take care of our printing needs - but the county officials said "not so fast", so pray about this issue.
