

Dave & Joyce Briley - Wycliffe Bible Translators Indonesia

Dave is currently going through first drafts of selected Psalms which Yormi (a young Bauzi man whom Dave is training to do translation who resides in Papua) has translated into Bauzi. However Yormi has been sick off and on since October 2017 and has not produced much new translation. We now know that Yormi has HIV Stage 4. The prognosis is that Yormi has about a year of life left but if he takes the medicines as he should and changes his diet he could add some years on to his life. He is very key in the continuance of translating the Shorter Old Testament into Bauzi. Pray for the Lord's intervention and for us to have wisdom on how we might help Yormi from a distance. Please pray for a visa for me to return to Papua in May this year.
