

Dave & Joyce Briley - Wycliffe Bible Translators Indonesia

Dave is currently going through first drafts of selected Psalms which Yormi (a young Bauzi man whom Dave is training to do translation who resides in Papua) has translated into Bauzi. However Yormi has been sick off and on since October 2017 and has not produced much new translation. We now know that Yormi has HIV Stage 4. The prognosis is that Yormi has about a year of life left but if he takes the medicines as he should and changes his diet he could add some years on to his life. He is very key in the continuance of translating the Shorter Old Testament into Bauzi. Pray for the Lord's intervention and for us to have wisdom on how we might help Yormi from a distance. Please pray for a visa for me to return to Papua in May this year.

-Announcements-

"Church Called to Prayer" - All are invited to come and take part in our "Church Called to Prayer Meeting" at 4:30 pm. Please note the change in time. And while there is a change in time for our church to meet for prayer, there is not a change in need. We need Him more than ever, which means we need you! Join us as we lift our petitions, supplications, and intercessions on behalf of the body of Christ both here and around the world.

Ladies IN Ministry Meeting - this is for any ladies in the church who would like to serve in the church and help with the planning of some future events in our church. The first meeting will be on Tuesday, February 6, 6:30 pm, at the parsonage. (This is different than the Ladies Ministry.) All Ladies are invited to come and help plan the calendar for the year.

Sunday Evening DVD Series - Taking a break from our Sermon on the Mount series, make plans now to attend a DVD series, "Is This the End?" with Pastor and author Dr. David Jeremiah, pastor of Shadow Mountain Community Church in El Cajon, CA. The series will begin Sunday evening, February 18th at 6 pm. Pastor Jeremiah states, "We have almost become immune to the reality of today's headlines: from terrorism to natural disasters to political upheavals to refugees to disease to nuclear threats to failing economies...and the list goes on. People are thinking and asking, "Is this the end?"

Follow Dr. Jeremiah as he unfolds five developments in America and five developments on the international stage--all of which beg the question, "Is this the end?" Make plans to attend and invite a friend.
