

Wes & Faith-Ann Bartley - Baptist Intl. Missions, Inc. St. Lucia

We continue to see people come to know the Lord as Savior, and we praise Him for tender hearts. Mrs. Desir was concerned for her husband's salvation. After visiting with them, Mr. Desir came to the savior. What a change in his life! They both have been faithful and excited to serve the Lord together. We have started a new ministry with a Special Education School nearby. We are working with 20-30 boys ages 12-19. Please pray for these special needs boys that they will come to know Jesus as their Savior. Pray about expanding this ministry to include girls that Faith-Ann can teach.

-Announcements-

Church Membership Class - Do you know the Lord Jesus Christ as Savior? Have you followed Him in believer's baptism? Then this first class is for you. If you have been considering church membership but was unsure how to go about it, come and take part in our Church Membership Class this morning at 9:45 am during the Sunday School hour.

Sunday Morning Bible Classes - Speaking about Sunday School, do you attend? Come and take part in the study of the Bible in a small group structure. Read, study, and discuss the Word of God and how it applies to your life today. We have Bible study groups for all ages, from the youngest to adult classes. This is another great opportunity for each of us to *"grow in the grace and knowledge of our Lord and Savior Jesus Christ," II Peter 3:18.*

"The Isolation of Israel" - In this evening's presentation with Dr. David Jeremiah, we will discover why the nation of Israel is a sign to the world. As Dr. Jeremiah reminds us, *"In the world of geo-eco-politics, it is not often that promises are kept over time. But a promise God made to Abraham more than 4,000 years ago is still in force. It is shaping our world today and will shape it even further as we approach the end of the age. God's promises are forever."* Join us tonight as people around the world are asking, *"Is This the End?"*

We ask that you please keep your cell phone on silent/vibrate mode.
